

FF O200A

INTELLIGENT ADDRESSABLE OPTICAL SMOKE DETECTOR

CPR

EN 54-7

EN 54-17

FEATURES

- ▶ Multiple fully approved sensitivity settings
- ▶ Auto addressing capability on compatible fire control panels
- ▶ 360° LED Visibility
- ▶ Dual bi-colour LED
- ▶ Bi-directional isolator to protect against cable faults
- ▶ Self test magnet option
- ▶ Indicator Output
- ▶ Dust Restrict Chamber (DRC) technology offering advanced immunity to airborne contaminants

TECHNICAL SPECIFICATIONS

Operating Voltage	15V DC - 40V DC
Current (Standby)	85µA @ 24Vdc
Current (Alarm)	6mA
Humidity	%95 RH
Temperature Range	-10°C to +55°C
Remote Output Max Current	20 mA
