

FF LSB550

Intelligent Addressable Sounder Strobe

1450a/01

0832-CPR-F2821

EN54-3

Features

- Intelligent Addressable Sounder and Beacon
- Audible and Visual Warning
- Non-polarized two-wire connection
- Microprocessor

- 24 VDC supply
- EN54-3 Certificated
- LPCB Approved
- CPR Certificated

Technical Specifications

Operating voltage	24V DC
Operating Current	≤0.5mA
Operating Alarm Current External	≤50mA
Voltage	24V DC
Sound Level	80dB~115dB
Flash Frequency	1Hz~2Hz
Operating temperature	-10°C~+55°C
Storage Temperature	-10°C~+55°C
Moisture Bond	≤95%
Size	115x140x56 mm
LPCB document no.	1450a/01
CPR document no.	0832-CPR-F2821
CD	125

Order Details

- FF LSB550 Intelligent Addressable Sounder Beacon
